## SELECTMEN'S REPORT

We, the Selectmen of the Town of Clarendon submit the following report:

At the first meeting of the Board of Selectmen Chester Carrara was appointed Chairman of the Board for the ensuing year.

Richard Pratt, Robert J. Pratt and Henry Potter were appointed Fence Viewers & George Ridlon and Isadore LaVictoire, Pound Keepers; Howard Pierce, Inspector of Lumber, Shingles and Wood; John H. Pratt, Weigher of Coal; Harold E. Johnson, Tree Warden.

The Selectmen gave Mr. Holden, Overseer of Poor, permission to ask the Road Commissioner to give men receiving help from the Town work on Town Roads.

A shed for storage of road salt was built on the Walker Mountain Road. This was necessary because the sheds where it had been previously stored had been torn down.

A new system of book keeping was set up patterned after the Town of Rutland methods. This involved buying new order sheets, cash book, note books etc. Because of lack of room for filing town paper and supplies a new filing cabinet was purchased.

Since the Town snow fence is no longer used it was decided to sell it. Only a small part has been sold as yet. Any interested in buying same contact Selectmen.

The Selectmen and Road Commissioner met with the District Road Commissioner and planned and made out applications for the Summer Road work. Under this plan Black Top was continued south on the West Creek Road as far as the Hugh Leahey Farm. Construction on Walker Mt. to remove bad curves was started. For this project it was necessary to buy land of Spafford, Congdon Bros. and Grabowski. The work was started about the last of October and may take three years to complete. State Gas Tax money is being used for this work. Various Town Roads were widened, ditched, surfaced with gravel and new culverts installed and Black Top Roads were patched and retreated.

Since the Grader Checking Account under the present Board of Selectmen was no longer used, the balance in that account was transferred to the General Account and the Grader Checking Account closed.

The School Directors requested that a % tax be added to the voted tax to cover the school Deficit. The Selectmen voted against this agreeing to make up the deficit out of the General Funds, total School Tax for 1954 to be given them without subtraction of deficit coverage.

Various Towns People have felt that the total school tax should be deposited in the School Account in October.

School Tax this year at \$3.00	\$22,809.79
Paid up to October 5, 1954	3,000.00
Total 1954 Tax due School Acc.	\$19,809.79
Collected 1954 Tax	\$36,283.85

After all notes and bills on hand were paid there remained in the Treasury on October 15 a balance of \$4,381.08.

At that time bills for Road work alone amounting to between 12 and 14 thousand dollars were still due, together with others to be paid from the general account, the total well towards \$20,000. Thus we needed between \$35,000 and \$40,000 to pay the School Tax at once and all bills in the General Account up to January 1st. Since there would be very little money coming into the Treasury before the last of December or first of January when State Refund on Roads is received it would be necessary to borrow at least \$35,000 to deposit the total school tax in the School Account and also pay for road work and running expense of the Town. It is doubtful if this town could borrow so much on a Tax Anticipation Note. The Selectmen felt it inadvisable and decided to borrow \$20,000 and pay the School Tax as needed during the year.

We, the Selectmen, hope this explains why we do not deposit the total School Tax in the School Account in October.

We still owe on the Grader \$8,820 plus \$201.60 per year interest.

The Selectmen voted to draw up an ordinance setting a speed limit of 35 miles per hour in North Clarendon Village and to put up stop signs at the intersections of Moulton Avenue and Middle Road and U. S. Route #7. Signs designating such speed limit were erected on Route #7 in North Clarendon by the State Highway Department.

One hundred chairs have been purchased for the Town Hall and some of the old benches sold.

Ray Nutting requested the Selectmen to lay out a road on North Flats from U. S. Route #7 to the William Moon property

which he has purchased and where he plans on building several houses. The Selectmen have laid out and opened a road as requested.

The Town Truck and Grader have earned money by outside work this year. We have also saved the Town money because we would have had to rent similar equipment from others if we had not had our own.

Amount earned from others	\$523.40
Amount saved—Truck	2,629.19
Grader	2,785.00
Total	\$5,937.59

Of the amount **saved** by truck and grader we received a certain % refund from the State depending upon the sort of Road work for which they were used.

Various people have requested that the Town Hall be painted. This needs doing and the Selectmen will have it done as soon as the money for the work is available.

There has been talk of buying a shovel and tractor to run it. The Selectmen hope to be able to do this some time in the near future.

The Selectmen have discussed and hope to be able to buy a spray pump and material for spraying road side brush as recommended by the State Highway Department.

The Selectmen also hope to have the Alfrecha Road put into State Aid Highways, in which case the Town would receive State Aid in keeping said road in repair.

The Selectmen estimate a tax of \$2.25 is necessary to pay running expenses of the town for 1955 and request that such a tax be voted for the General Account.

We, the Selectmen, hope this report meets the approval of the people of the Town of Clarendon.

CHESTER CARRARA,  
CHARLES RUANE,  
PERCY E. TEER,

Selectmen.

## VERMONT DEPARTMENT OF SOCIAL WELFARE

## Montpelier, Vermont

This is our nineteenth annual report to the citizens of the Town of Clarendon on State payments in your municipality of various types of assistance and welfare during 1954.

The total number of recipients in the State has remained stable for four years but expenditures are larger by reason of increases in payments authorized by the Legislature and increases in cost of services, including rent. Funds for the support of these programs were derived from the Federal and State Governments. The towns and cities participated financially in two of the programs as indicated below. Administrative expenses for the four types of Public Assistance were the lowest in the North Atlantic States and among the lowest in the nation.

Old Age Assistance	\$7,903.00
Aid To the Blind	.....
Aid to Dependent Children*	2,595.00
Aid to the Disabled	324.00
Committed Children**	2,477.58
<b>TOTAL</b>	<b>\$13,299.58</b>

W. ARTHUR SIMPSON,  
Commissioner.

\*One-eighth paid by the town or city unless family is non-settled.

\*\*One-half paid by the town or city unless family is non-settled.

**REPORT OF THE SUPERINTENDENT OF SCHOOLS**

To the School Directors and the Citizens of Clarendon:

I submit my second annual report as your Superintendent of Schools.

This school year opened on Wednesday, September 8, 1954 with the following teachers and enrollments in the schools:

North Grammar	Mrs. Madelene Kelley	23 pupils
North Primary	Mrs. Shirley Conway	18 pupils
Hill	Mrs. Maida Johnston	16 pupils
East Primary	Mrs. Frances Gibson	18 pupils
East Grammar	Mrs. Eileen Edinger	18 pupils
Flats Primary	Mrs. Agnes Farrell	19 pupils
Flats Grammar	Mrs. Alene Brown	20 pupils
Springs	Miss Julia Higgins	22 pupils
Chippenhook	Mrs. Edith Fish	19 pupils

The enrollment by grades was as follows:

Grade	1	2	3	4	5	6	7	8	Total
North Grammar					6	8	2	7	23
North Primary	3	6	5	4					18
Hill	1	2	1	4	3	1	2	2	16
East	1	8	6	3	7	5	3	3	36
Flats	5	3	3	8	5	8	4	3	39
Springs	1	4	4	3	1	1	6	2	22
Chippenhook	1	4	3	1	1	2	3	4	19
	12	27	22	23	23	25	20	21	173

Your Superintendent feels that the teachers of the Clarendon Schools are doing as good an educational job for the children as the physical conditions under which they work allow. We all recognize the conditions of our schools and know that some action must be taken to provide better facilities than we now have. With this in mind, your school directors have taken an option on the Pitts property on the Shresbury road as a possible site for a school in the North Clarendon area. Whether this land is to be purchased or not is to be decided at the town meeting. We would plan to erect a school building on this location that would take care of the pupils now attending the Hill and the North Clarendon Schools. The option taken by the School Directors provides that we may either buy the property for \$6500 or pay \$800 at once and take a mortgage of \$5500 at 3% interest.

It is our feeling that the East School should be further improved and considered a permanent building to serve this area of town.

Before it is possible to do much for our school buildings, it seems to the School Directors and your Superintendent that a school tax adequate to cover the current operating expenses should be voted. A year ago the School Directors asked for a school tax of \$3.50 and received \$3.00. This year it is necessary to ask for a tax of \$3.65 to meet the expenses of your schools for the next school year. If this is again refused, the school district will operate at a deficit as it is doing this year and did the year before.
